# WARRAWONG HIGH SCHOOL

## ASSESSMENT POLICY AND PROCEDURES

### **Purpose**

Warrawong High School's Assessment Principles align to the Department of Education Policy as well as NESA requirements and standards.

Warrawong High School plans assessment so that:

- Teachers can assist students in their learning and continual development.
- Teaching and learning programs are evaluated and improved.
- Students and teachers have evidence of satisfactory completion of a course.
- Teachers can report on the achievement of each student at the end of a course.
- Students can demonstrate achievement of course outcomes.
- Valid and reliable assessment strategies are used.
- The timing, frequency and nature of the assessment processes are efficient and manageable for teachers and students.

Warrawong High School promotes an integrated approach to teaching, learning and assessment. Continuous assessment of student learning takes place throughout the year in formal and informal settings. Teachers use a range of formal and informal assessment to gather evidence about student achievement and to improve student learning. Assessment data is also used for the purposes of reporting to parents, when conferencing with students, and for awarding NESA grades to students.

### **Practices**

School-based assessment programs allow students to demonstrate the breadth and depth of their knowledge, understanding and skills in relation to syllabus outcomes. Achievement of outcomes can be demonstrated through formal and informal assessment throughout each unit of work.

Formal assessment is to be complemented by informal assessment throughout the teaching and learning cycle to gather evidence about how students learn and what they know. Formal assessment tasks for Year 10 must attempt to reflect the assessment expectations of the Stage 5 syllabuses specific to subject areas to increase student skillsets and capability within these task types.

Informal assessment includes activities undertaken in class and evidence gathered throughout the teaching and learning process in a less prescribed manner than formal assessment.

## Management of Assessment Tasks

Teachers design assessment tasks to confirm students are meeting the course syllabus outcomes. **Assessment Schedules** are developed to provide an overview of the formal assessment expectations for each course and reflect the requirements of the appropriate syllabus. The assessment schedule for each course is accessible in this document (see pages 29 - 44).

The Assessment Schedule for each course includes the number of assessment tasks for each course, type of task, course focus areas, timing for each task, outcomes being assessed, course components, weighting of components, total value of task and total value of components.

For each assessment task:

- Students will be notified in writing, using the school **Assessment Task Notification** proforma, of the:
  - Task title and focus.
  - Outcomes assessed.
  - Weighting.
  - Date issued.
  - Date due.
  - Task Milestones.
  - Task Description; including task type, outline of student expectations, area focuses for study reference.
  - Marking Criteria.
  - Learning Intentions.
  - Success Criteria outlining grading expectations.

Notice will be provided at least three (3) weeks in advance of the task (see page 24).

- Students in years 10-12 will sign and date documentation as part of the Assessment Monitoring Folders to indicate when they:
  - Receive Assessment Task Notification.
  - Submit the assessment task.
  - Receive feedback.
- Students will be expected to meet task milestones, indicated on the Assessment Task Notification, to support them in the development and completion of each task. Students will receive peer, individual or teacher feedback at each milestone.
- Students will be given feedback, including a mark/grade and comment, for each assessment task within two weeks of the submission date. Any concerns surrounding the grading of a task must be raised by the student and resolved with the teacher when the task is returned and/or within 7 school days.
- Students can be compensated under special considerations for extended illness or misadventure that may have affected their performance. Any decision to compensate will depend on whether the student has met their responsibilities to prove that such an allowance is warranted. All such decisions will occur in consultation between the deputy principal, the class teacher and faculty head teacher, and the parent/carer, where necessary (see Illness/Misadventure/Absence Process Years 10 – 12, page 17).
- If a student in Years 10-12 has missed a task or has made a non-serious attempt, the teacher must follow the school's procedures for completing an **N-Warning notification** (outlined on page 9), including verbally notifying parent/caregiver.
- In the event that a student's application for misadventure is denied, they will be awarded a penalty; however, teachers will keep a separate record of the grade the student would have achieved without the penalty for the purposes of reporting and determination of grades.

## Student Responsibilities

The information in this document reflects the **NESA Year 11 – 12 HSC Roles and Procedures Guide** to ensure students meet ROSA expectations and are building an understanding of their roles and responsibilities as senior students.

To ensure students are meeting the student responsibilities outlined in this document:

- Students must submit or complete all assessment tasks on the due date.
- Students must be aware of and follow all school rules and teacher instructions with regard to each task.
- Students must ensure they have the correct resources to undertake the assessment. If the student is unable to access the resources required to complete the assessment, they must consult with their teacher, faculty head teacher or deputy principal as soon as possible, who will provide them with the resources they require.
- Students in years 10-12 will sign and date documentation as part of the 'Assessment Monitoring Folders' to indicate when they:
  - Receive Assessment Task notification.
  - Submit the assessment task.
  - Receive feedback.
- Students must keep track of all assessment task requirements and due dates.
- Students must notify the teacher immediately when an assessment task is handed out, if they feel that they have too many assessment tasks to complete in that week.
- It is the student's responsibility to see their teacher to obtain all assessment task information if a student is absent on the day an assessment task notification is delivered.
- If a student is going to be on leave for any of the reasons listed below, they must apply through the Warrawong High School front office and fill out a **Student Illness/ Misadventure/ Absence Application** and hand it to their deputy principal prior to the due date of the assessment task(s):
  - Family Holiday.
  - Illness.
  - Operation.
  - Family concerns/complications.
  - Other significant reasons for student leave.
- Students must submit all formal assessment tasks before 3pm on the due date unless otherwise directed on the Assessment Task Notification.
- If a student fails to complete an assessment task on the due date, they will receive the relevant penalty if they fail to complete **Student Illness/Misadventure/Absence Application** (page 18) or **Assessment Appeal Application** (page 21) in consultation with their deputy principal within 3 days after the due date of the task (see Illness/Misadventure/Absence Process Years 10 – 12, page 17).

## Supporting Documents and References

- Each course assessment schedule must be read in conjunction with the NESA syllabus outcomes. All students must familiarise themselves with the course outcomes by visiting the NESA website.
- For more detailed information on all aspects of the Stage 5 curriculum, course outcomes, course examination and assessment visit [www.educationstandards.nsw.edu.au](http://www.educationstandards.nsw.edu.au) or approach the relevant Head Teacher at school. In terms of NESA policy and rules, the key reference is the Assessment Certification and Examination Manual (ACE) manual at [www.educationstandards.nsw.edu.au](http://www.educationstandards.nsw.edu.au).

## Penalties

- Tasks not completed on time may receive a zero mark. Whether a student receives a zero mark will depend on whether the student follows the procedures for late submission and/or student absence from a task (see *Illness/Misadventure/Absence Process Years 10 – 12*, page 17).
- Whether a student receives a zero mark or not, they must complete the task, or they will be at risk of N determination.
- If an assessment task involves digital storage, students must make a back-up copy, so they avoid not handing a task in on time due to a technology failure. A technology failure is not a valid reason for not handing in a task.
- A student will be awarded a zero mark if they are involved in cheating, gross disruption, disobedience, copying or submitting work other than their own. Plagiarism is considered cheating. A mark of zero will also be awarded if the submitted assessment task is deemed to be plagiarised.

## Late Submission and / or Student Absence from a Task

- If a student is away, arrives late, or fails to hand in an assessment task on the due date, a zero mark will be issued unless the student can provide appropriate formal documentary evidence of illness or misadventure through the school's appeals process.

Appropriate documentary evidence, may include:

- Evidence from a health professional (medical certificate).
- Another relevant person (eg. counsellor or police officer).
- Application for Leave form approved by the Principal.
- Other documentary evidence deemed relevant by the Assessment Review Panel.

If the school is not initially satisfied with the documentation provided, parents/caregiver will be notified immediately. All appropriate documentary evidence should:

- Be issued during the period of illness, misadventure or absence.
- State the nature of the illness, misadventure or absence.
- State the date the student visited the service/professional.

- On the day of the task or on the first day back at school, the student must see their deputy principal and obtain an accident, illness or misadventure procedures package.
- Appropriate documentary evidence of illness, misadventure or absence must be submitted with a **Student Illness/Misadventure/Absence Application** form within 3 days of the student returning to school (see page 18). It is the student's responsibility to provide the deputy principal with the appropriate misadventure documentation for consideration to be given to the task.
- When illness or misadventure occurs prior to the due date and the student feels that their performance will be affected, a **Student Illness/Misadventure/Absence Application** may be submitted in consultation with the deputy principal. Initial notification to the class teacher (eg. a parent letter or telephone call), must be done prior to the task being due.
- All requests for special consideration are dealt with by the Assessment Review Panel. If the Panel accepts the request then an alternative date or task will be negotiated between the class teacher, faculty head teacher, and the student. If the Panel declines the request, then the student may appeal. The school appeals process is outlined on page 8. The documentation includes a request for appropriate documentary evidence, which is outlined above.

## N Warning Procedures

Teacher is to issue an N Warning if:

- A student fails to complete a formal assessment task on the due date identified on the Assessment Task Notification and does not submit a **Student Illness/Misadventure/Absence Application**.
- A student fails to make a genuine attempt to complete course requirements. These requirements include students applying themselves with diligence and sustained effort to the set tasks and experiences provided in the course by the School, regardless of whether or not these tasks contribute to the final assessment mark.

It is the principal's responsibility to decide if a student is to be issued an N Determined and this decision will be made in consultation with the Assessment Review Panel and the documentation provided by the teacher and relevant faculty head teacher of the course. The decision is made by the principal at the end of the course, under delegated authority from NESAs, that a student has not satisfactorily completed a course.

Students who have not complied with the course completion criteria and who have received at least two written warnings can be regarded as not having satisfactorily completed the course at the time of finalising grades. The principal may then apply the 'N' determination.

## Assessment Task Appeal

Students have the right to appeal if they feel that they have, in any way, been disadvantaged or treated unfairly with regard to an assessment task using the **Student Appeal Application** form (see page 21).

- Appeals must be in writing using the school Student Appeal Application form available from the deputy principal. This must be returned within 3 school days of the issue arising ie. when the task is handed back or a request for special consideration is denied.
- The deputy principal and relevant personal will convene and make a determination within 7 school days of the appeal being received. The relevant personal may include the Assessment Review Panel, faculty head teacher and/or relevant teacher.
- A final appeal can be made to the principal if the student feels the appeals process has not been appropriately followed. The student and parent/carer should discuss the issue with the principal who will advise the following steps.
- Matters that may be considered as grounds for appeal include but are not limited to:
  - If a student feels they have been treated differently from other students.
  - If, after discussion with both the teacher and faculty head teacher, the student feels that the assessment mark does not reflect the quality of their performance in the task.
  - Any issue relating to the marking criteria or a computation error in determining the mark.
  - If a student believes the assessment procedures were not followed correctly.
  - Any issues with the administration of the task (eg. timing errors or errors in the task).

## Special Provisions

Students with a disability and/or learning difficulty may request additional support so they can perform successfully and complete all tasks.

Students in Years 10, 11 and 12 who are eligible for disability provisions in formal examinations must be accommodated in the same manner for assessment tasks. Adjustments through differentiation and scaffolds for assessment tasks are required for a student whose learning is impacted by disability and/or learning difficulty, or an EAL/D student. This may include Braille papers, large print papers, use of a writer, use of a reader, extension of test time, rest breaks, use of a personal computer, separate supervision, permission to take medication, or other provisions as judged appropriate.

Parents/carers should notify the school immediately if they wish their child to apply for disability provisions in a formal examination. The Learning and Support Team will co-ordinate the preparation of appropriate evidence and a submission to NESA for approval.

The Learning and Support Team must work with teachers to identify and implement adjustments and accommodations that can be made for individual students and class groups for specific tasks. It is the responsibility of the Learning and Support Team and class teacher to notify the student and parents/carers of any adjustments and accommodations that have been suggested/implemented to support the student. It is the responsibility of teachers to engage with student support documents (eg. PLaSPs) to ensure they are catering appropriately for the needs of students with a disability and/or learning need.

## Record of School Achievement (RoSA)

The NSW Education Standards Authority (NESA) issues the Record of School Achievement (RoSA) to eligible students who leave school before completing the Higher School Certificate (HSC).

The RoSA is a cumulative credential, meaning it contains a student's record of academic achievement up until the date they leave school. This could be between the end of Year 10 up until and including some results from Year 12.

To be eligible for a RoSA, students must have:

- Completed the mandatory curriculum requirements for Years 7 to 10.
- Attended a government school, an accredited non-government school or a recognised school outside NSW.
- Completed courses of study that satisfy Education Standards' curriculum and assessment requirements for the RoSA.
- Complied with the requirements from the Education Act.

## Confirmation of Entry

Students will receive a NESAs Confirmation of Entry from the school.

Students in years 10, 11 and 12, before signing their Confirmation of Entry each year, should check that they are:

- Enrolled in the correct courses.
- Eligible for an ATAR.
- Eligible for:
  - Year 10: RoSA.
  - Year 11: RoSA.
  - Year 12: HSC Certificate.

The Confirmation of Entry reflects the subjects the student will receive results for at the end of each course. If students have any concerns about their Confirmation of Entry, they must inform the deputy principal or the Head Teacher Secondary Studies as soon as possible.

## HSC Minimum Standards – Reading, Writing and Numeracy

From 2020, only students who meet the HSC minimum standard will receive a Higher School Certificate testamur.

Students will be provided with two (2) opportunities in years 10, 11 and 12 to pass the standard identified below if they have not met the minimum standard previously.

To show they meet the standard, students need to achieve:

- Level 3 or 4 in the online reading test.
- Level 3 or 4 in the online writing test.
- Level 3 or 4 in the online numeracy test.

## Work Experience

All year 10 students will be required to complete work experience during the following weeks:

- Mainstream students: Term 2, Week 10 (Monday June 27<sup>th</sup> – Friday July 21<sup>st</sup>)
- Support students: Term 3, Week 4 (Monday August 8<sup>th</sup> – Friday August 12<sup>th</sup>)

There will be no timetabled lessons for year 10 students during Week 10, Term 2.

This is a program that supports and allows students the opportunity to investigate a possible career pathway and assist them in finding casual employment.

Students are encouraged to find their own placement. If you have any questions or concerns, please see or contact the Career's Office.

## Satisfactory Completion of Each Course

A student will be deemed satisfactory in each course if there is sufficient evidence that the student has:

- Followed the course developed or endorsed by NESAs.
- Attended school regularly.
- Applied themselves with diligence and sustained effort to the set tasks and experiences provided by the school (ie. classwork, assignments, homework and class tests).
- Made a satisfactory attempt in all examinations and assessment tasks.
- Achieved some or all of the course outcomes.

## Satisfactory Attendance

Students must attend school at least 90% of all school days each year. Students must meet this attendance requirement until the final day of school, as determined by current Department of Education policy relating to student attendance. To ensure the best possible chance of success, students should not be absent from school for an extended period. If a student's attendance has impacted on their ability to demonstrate outcomes due to a lack of work completed, the activities relating to the outcomes need to be identified on the N Warning letters distributed.

School leave may be granted to cover an extended student absence. It is essential that parents contact the school prior to leave taking place to complete the appropriate documentation including the **Student Illness/Misadventure/Absence Application** form and to confirm any alternative arrangements that may be required.

It is the responsibility of the student to collect and complete any relevant assessment tasks and/or schoolwork as determined in consultation with the deputy principal, faculty head teacher and teacher. School leave is only granted by the school if the reason is substantial and the student's progress towards course outcomes will not be unduly affected.

## Students Online Account

Students Online is the students' source for important information about their study from Year 10 to the HSC.

Once students have logged into Students Online:

- check their confirmation of entry to ensure their name, courses, address, email and phone number are correct.
- inform their school of any name changes or course concerns.

Students can change their address, email and phone number in the personal details section.

Students can download their free PDF credentials in the Results Services section.

Students can find helpful information in My Account under Manuals and Guides to support them throughout their HSC.

By activating this account students will be able to receive significant information for their senior years and access their results online after they leave school. If students have not activated their account, they must see their deputy principal or the Head Teacher Secondary Studies as soon as possible.

## Students Unique Student Identifier Number

From 2015, anyone undertaking a Vocational Education and Training course or a White Card/First Aid course (eg: through TAFE or other training providers) is required to have a "Unique Student Identifier" (USI). It is used to identify the student when undertaking any vocational training.

A USI allows students to login into their training account and see all their training records and the results of all courses started and completed. Students can also print out all of their results to take to an employer when they are applying for a job or to any training provider when they are doing any additional courses.

Warrawong High School requests that all students starting Year 11 have a USI account and record this number on the careers website in the student secure area, ([www.warrawonghighcareers.com](http://www.warrawonghighcareers.com)). Students can access this site anywhere.

If students have not yet obtained a USI they can apply for it directly at <http://www.usi.gov.au/create-your-usi/> on computer or mobile device or log on to [www.warrawonghighcareers.com](http://www.warrawonghighcareers.com) and enter secure student area.

If students require assistance they must see their Careers Advisor as soon as possible.

## *Technology Applied Studies Assessment Expectations*

### **Preparation for future VET Studies undertaken in Stage 6.**

#### **Assessment**

VET courses such as Hospitality and Construction are competency-based courses. In a competency-based course, assessment of competencies is standards-referenced. This means that students are judged against a prescribed standard not against the performance of other students.

Demonstrating competency means that students can perform the task or show an understanding to the level required by the industry standards.

When students successfully demonstrate competence against a particular standard they will be judged as 'competent'. There is no pass/fail. Students are either 'competent' or 'not yet competent'.

The units of competency students achieve will be recognised on a vocational qualification.

Students are being continually assessed and attendance in each lesson is extremely important, along with satisfactory completion of mid-course and end of course examinations.

If at any time it appears that a student is at risk of receiving an N determination in any vocational course, the principal must follow the same procedure as for any other HSC course. The student will be given written warning in sufficient time to correct any problems regarding the completion of course requirements.

Where a student receives an N determination in a VET course, that course will not appear on the student's record of achievement. No VET Certificate or Statement of Attainment will be issued to students who receive an N determination.

## Glossary of Key Words

Syllabus outcomes, performance bands and examination questions have key words that state what students are expected to be able to do. The glossary below has been developed to provide a common language and consistent meaning in all NESA documents. It is designed to help students understand what is expected in responses to examination and assessment tasks.

<b>account</b>	Account for, state reasons for, report on. Give an account of, narrate a series of events or transactions
<b>analyse</b>	Identify components and the relationship between them; draw out and relate implications
<b>apply</b>	Use, utilise, employ in a particular situation
<b>appreciate</b>	Make a judgement about the value of
<b>assess</b>	Make a judgement of value, quality, outcomes, results or size
<b>calculate</b>	Ascertain/determine from given facts, figures or information
<b>clarify</b>	Make clear or plain
<b>classify</b>	Arrange or include in classes/categories
<b>compare</b>	Show how things are different or opposite
<b>construct</b>	Make, build, put together items or arguments
<b>contrast</b>	Show how things are different or opposite
<b>critically (analysis/evaluate)</b>	Add a degree or level of accuracy depth, knowledge and understanding, logic, questioning, reflection and quality to (analysis/evaluation)
<b>deduce</b>	Draw conclusions
<b>define</b>	State meaning and identify essential qualities
<b>demonstrate</b>	Show by example
<b>describe</b>	Provide characteristics and features
<b>discuss</b>	Identify issues and provide points for and /or against
<b>distinguish</b>	Recognise or note/indicate as being distinct or different from; to note differences between
<b>evaluate</b>	Make a judgement based on criteria; determine the value of
<b>examine</b>	Inquire into
<b>explain</b>	Relate cause and effect; make relationships between things evident; provide why and/or how
<b>extract</b>	Choose relevant and/or appropriate details
<b>extrapolate</b>	Infer from what is known
<b>identify</b>	Recognise and name
<b>interpret</b>	Draw meaning from
<b>investigate</b>	Plan, inquire into and draw conclusions about
<b>justify</b>	Support an argument or conclusion
<b>outline</b>	Sketch in general terms; indicate the main features of
<b>predict</b>	Suggest what may happen based on available information
<b>propose</b>	Put forward (e.g. a point of view, idea, argument, suggestion) for consideration or action
<b>recall</b>	Present remembered ideas, facts or experiences
<b>recommend</b>	Provide reasons in favour
<b>recount</b>	Retell a series of events
<b>Summarise details</b>	Express concisely the relevant
<b>synthesise</b>	Putting together various elements to make a whole

## Illness/Misadventure/Absence Process Years 10 – 12

### **Student does not complete Assessment Task on Due Date**

Teacher identifies on Assessment Register and class roll that student has not completed formal assessment task on the due date.

### **Student Provides Formal Documentation**

If student provides a doctor's certificate (and/or other appropriate documentation) and completes the WHS Student Appeals Application within 5 days of the due date of the assessment task or on the first day of the student's return to school, teacher is to follow the directions of the Assessment Review Panel.

### **Student Does Not Provide Formal Documentation**

If student does not provide a doctor's certificate or complete the WHS Student Appeals Application within 5 days of the due date of the assessment task or on the first day of the student's return to school, teacher is to complete and issue an N Warning ensuring they notify the students' parent/caregiver.

### **Student Application is Successful**

If students' application is successful, the relevant deputy principal will notify Head Teacher of process to follow.

This could include:

- The rescheduling of the task due on a date negotiated with the Assessment Review panel, head teacher, teacher and student
- An alternate Task to be delivered/completed due on a date negotiated with the Assessment Review panel, teacher and student
- An estimated mark
- Other, if deemed appropriate by the Assessment Review Panel

### **Student Application is Unsuccessful**

If students' application is unsuccessful the student will receive a zero (0) mark and the relevant deputy principal will notify Head Teacher of process to follow.

This will include but is not limited to:

- The rescheduling of the task due on a date negotiated with the Assessment Review panel, teacher and student
- An alternate Task to be delivered/completed due on a date negotiated with the Assessment Review panel, teacher and student
- Complete and issue an N Warning, ensuring they notify the parent/caregiver
- Identify the student is receiving a 0 on Markbook; however, teacher must also notify student of their actual mark
- Other, if deemed appropriate by the Assessment Review Panel

### **Teacher Puts in Place Support for Student**

Head Teacher/teacher is to provide, and document support put in place for the student to aide in the completion of the task.

Support could include but not is limited to:

- Accessing Thursday Homework Club
- Providing time to complete the task during a set period
- Providing further information
- Being available to assist student during breaks
- Head Teacher/teacher requests to meet with the parent/carer and documents outcome of the meeting.
- Teacher calling home to notify parents
- LaST referral is generated in consultation with head teacher

### **Student meets the expectations of 'N' Warning**

When student completes expectations of 'N' Warning, the Head Teacher/teacher immediately (within 24 hours) indicates that the 'N' Warning is "resolved" on Sentral and notifies parents and head teacher.

Although the student receives a zero (0) mark, teacher is to provide students with feedback and their actual mark.

### **Student fails to meet expectations of 'N' Warning**

If student does not meet the expectations of the 'N' Warning, teacher notifies parents and head teacher. Another letter is sent home. Head Teacher/teacher request a meeting with parent/carer and documents the outcome of the meeting. If the student fails to complete another task, the new 'N' Warning will include all previous course assessment tasks that have not been completed.

### **IMPORTANT NOTE**

In the context of Years 7 – 9, all documentation in relation to the process must be stored in a central location for the remainder of the school year.

In the context of Years 10 – 12, all documentation in relation to the process must be stored in course monitoring folders for at least 12 months after the completion of the course.

## Student Illness/Misadventure/Absence Application

The student is to complete this application if they are going to miss or have missed a formal assessment task due to illness, misadventure and/or absence. The student must:

- Access, complete and submit Student Illness/Misadventure/Absence Application in consultation with the relevant Deputy Principal within 3 days of the due date of a formal assessment task or on the first day of the student's return to school.
- Attach a doctor's certificate (and/or other appropriate documentation) to this application.

### Step 1: Complete the information below and attach the documentation you have identified
